Attendance Tracking

Custom Location

Effortlessly track employee attendance with our intuitive system. TroCheck allows for company check-ins, project-specific check-ins, and custom check-ins, giving you complete visibility over your workforce's presence. Say goodbye to manual attendance records and embrace digital efficiency.

Company Check in

Effortlessly log attendance when employees arrive at their workplace, streamlining attendance tracking and eliminating manual registers.

Project Check in

Accurately track time spent on different projects or assignments, providing valuable insights for project management and resource allocation.

Custom Check in

Create personalized check-ins for unique scenarios, accommodating off-site meetings, client visits, or remote work locations with ease.
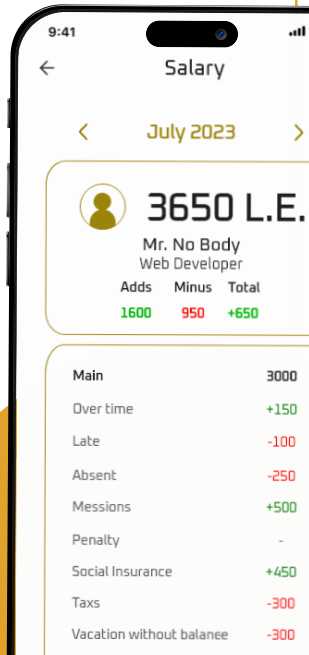

Employees Location & Timeline

TroCheck's Employees Location & Timeline feature allows department head and general managers to efficiently track employee locations and work history based on their attendance records. With this feature, managers can easily monitor the whereabouts of their team members and gain valuable insights into their work progress and accomplishments.

Payroll Management

Salary

TroCheck offers convenient management of employee loans and transfer allowances. Streamline the process of handling loans and ensure accurate tracking of transfer allowances within your organization.
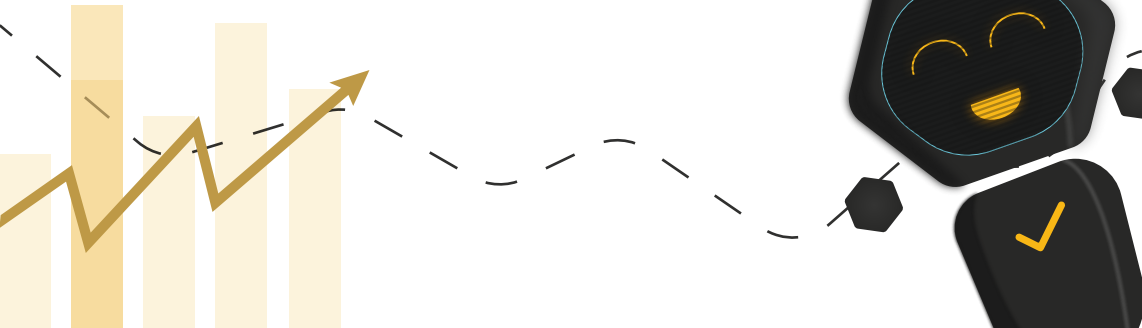

Loans

TroCheck's Loans feature streamlines the management of employee loans. Effortlessly handle loan requests and ensure transparent and accurate tracking of loan transactions within your organization. Simplify the loan process, making it easy for employees to apply, and for HR to manage loan approvals and repayment.

Transfere Allowance

Manage employee transfer allowances seamlessly with TroCheck's Transfer Allowance feature. Facilitate easy recording and allocation of allowances for employees who frequently move between work locations or require additional compensation for work-related travels. Simplify allowance management, ensuring employees are appropriately compensated for their travel expenses.
